

KOVA — One-Pager

AI business intelligence for African SMEs · [DATE]

One sentence

KOVA gives African businesses an autonomous AI team for social media, leads, and email — from **KES 499/month**, with **M-Pesa** and **WhatsApp**, built in Nairobi.

Problem → Solution

Problem	KOVA solution
SMEs lack 3–5 hrs/day for social	6 AI agents run 24/7
Agencies cost KES 30K–50K/mo	Plans from KES 499/mo (Plan v2)
4–6 fragmented tools	One BIOS: create → publish → engage → convert
No lead path from social	Kova Links, forms, CRM, email sequences

Product (live today)

- **6 agents:** Create, Analyst, Research, Adapt, Engage, Chief Strategist
- **9 platforms:** Meta, X, LinkedIn, TikTok, YouTube, Pinterest, Threads, Bluesky + WhatsApp
- **Conversion:** Link-in-bio, lead capture, email marketing, Smart CTAs, A/B tests
- **Payments:** M-Pesa STK Push + Stripe · **14 TEST_BUSINESSES** pilot matrix

Pricing (Plan v2 — May 2026)

Tier	KES/mo	Best for
Starter	499	Solos, trial
Growth	1,499	Core SME segment
Pro	2,999	WhatsApp Business, teams
Agency	7,999	Multi-brand agencies

Market & traction

- **44M** African MSMEs · **\$4.6B** TAM

- Production on Railway — **16 modules**, partner program live
- Founder-operated **Unimart Africa** as first customer story
