

Run your whole digital shop without hiring a marketing team

You run the business. KOVA's AI team handles social content, customer chats, leads, and follow-up email — built for Kenya with M-Pesa and WhatsApp.

Built for owners like you

■ No more 3-hour posting marathons

Drop an idea or snap your product. AI drafts posts for Instagram, Facebook, TikTok, and more. You review and tap publish — minutes, not hours.

■ Affordable vs agencies

- Agencies: KES 30K–50K/month
- KOVA Growth: **KES 1,499/month**
- Starter trial: **KES 499** after 7-day free trial

■ M-Pesa & mobile-first

- Pay with Safaricom STK Push
- No US credit card required
- Works on the phone you already use

■ Snap to sell

- Photo → polished product post
- Link-in-bio (Kova Links)
- Turn followers into buyers

■ Know what works

- Daily Brief every morning
- Engagement scores & trends
- Smart CTAs on every post

Production platform — 16 modules, 6 AI agents, 14-business pilot matrix. Founder story: Unimart Africa runs on KOVA.
