

DEED OF ASSIGNMENT OF INTELLECTUAL PROPERTY (TEMPLATE)

DRAFT FOR DISCUSSION — NOT LEGAL ADVICE — REVIEW WITH KENYAN ADVOCATE

THIS DEED is made on [DATE]

BETWEEN:

(1) [ASSIGNOR NAME] of [ASSIGNOR ADDRESS] ("the Assignor"); and

(2) [COMPANY LEGAL NAME], a company incorporated in [JURISDICTION: Kenya] with registration number [COMPANY REGISTRATION NUMBER] and registered office at [REGISTERED ADDRESS] ("the Company")

RECITALS

A. The Assignor has conceived, developed, or contributed to intellectual property relating to KOVA (Kova Agent) and related products.

B. The Company requires full legal and beneficial ownership of such intellectual property for fundraising, operations, and grant compliance.

C. The Assignor agrees to assign all such rights to the Company for good consideration (nominal or as stated below).

1. DEFINITIONS

1.1 "Assigned IP" means all intellectual property rights, whether registered or unregistered, including:

- (a) **Software:** source code, object code, repositories, APIs, databases, schemas, scripts, Celery tasks, Django applications, deployment configurations;
- (b) **AI assets:** prompts, agent orchestration logic, Content DNA models, evaluation frameworks;
- (c) **Documentation:** technical specs, business plans, user guides, pitch materials marked as Company confidential;
- (d) **Brand:** trade names "KOVA", "Kova Agent", logos, UI designs, marketing copy;
- (e) **Domains and accounts:** [LIST DOMAINS], social handles, cloud accounts (Railway, Cloudflare, GitHub, Meta developer apps) transferred to Company control;
- (f) **Data:** business methodologies and non-personal proprietary datasets created for the product;
- (g) **Moral rights** (where waivable).

1.2 Excluded: personal pre-existing IP listed in **Schedule 2** (if any).

2. ASSIGNMENT

2.1 The Assignor hereby **assigns, transfers, and conveys** to the Company the entire right, title, and interest in the Assigned IP, worldwide, for the full term of protection and all renewals.

2.2 Assignment includes the right to sue for past infringement and to sublicense to customers, partners, and investors.

2.3 The Assignor shall execute further documents and provide passwords, API keys, and registrar transfers reasonably required to perfect title.

3. CONSIDERATION

3.1 In consideration of **[KES 1,000 / shares as per Founders Agreement]**, receipt of which is acknowledged, the Assignor makes this assignment.

4. WARRANTIES

The Assignor warrants that:

4.1 They are the sole owner (or have authority to assign) the Assigned IP;

4.2 The Assigned IP does not infringe any third-party rights known to the Assignor;

4.3 They have not previously assigned or encumbered the Assigned IP;

4.4 They created the Assigned IP **[independently / with disclosed contributors listed in Schedule 1]**;

4.5 No employer, university, or funder has superior claim **[OR: Schedule 3 lists waivers/consents obtained]**.

5. MORAL RIGHTS

5.1 To the fullest extent permitted by law, the Assignor waives moral rights in the Assigned IP and consents to modification, aggregation, and commercial use without further attribution.

6. FURTHER ASSURANCE

6.1 The Assignor shall cooperate in patent, trademark, or copyright filings in **[JURISDICTION: Kenya]** and internationally at the Company's expense.

6.2 The Assignor shall promptly deliver all source repositories, credentials (via secure handover), and design files.

7. CONFIDENTIALITY

7.1 Technical and commercial details of Assigned IP remain confidential except as required for Company operations or due diligence under NDA.

8. GOVERNING LAW

- 8.1 This Deed is governed by the laws of [JURISDICTION: Kenya].
- 8.2 Courts of [Nairobi, Kenya] shall have exclusive jurisdiction [subject to counsel advice on arbitration].
